FEDERAL ENERGY REGULATORY COMMISSION

Electricity Market Design and Structure

Docket No. RM01-12-000

NOTICE OF STRAWMAN DISCUSSION PAPER

(February 1, 2002)

Take notice that Chairman Pat Wood, III has distributed a strawman discussion paper for discussion by the market power mitigation panel at the technical conference scheduled for February 5-7, 2002. The purpose of the paper is to stimulate public discussion that can guide market monitoring efforts and the design of market power mitigation measures. The paper does not necessarily reflect the views of the Commissioners or the Commission staff.

The discussion paper is being placed in the record of this rulemaking docket and this notice will be placed in the record of the dockets listed on the attachment to this notice. The discussion paper will also be available on the Commission's website at <http://www.ferc.fed.us/Electric/RTO/mrkt-strct-comments/rm01-12-comments.htm>. Comments on this paper are invited, and may be combined with any future comments filed in this rulemaking docket. It would be helpful, but not required, to set apart comments on this paper under a separate heading or in a separate section if they are included in a single document with comments that address other aspects of the rulemaking.
